**COURSE** : Field Research and Documentation\_Cultural Resources of Urban Environment(II)/2credits, PNU

## CAMPUS\_Asia::SUAЕ\_Asia Program 2022 Winter School Workshop

CAMPUS\_Asia::SUAЕ\_Asia Program is intensive international academic exchange program between universities in Asia as the platform for dual degree between Architecture Department of Kyushu University, Tongji University and Pusan National University, aimed at enhancing the education of urban and architectural environment by developing knowledge and skill to achieve sustainable cities and buildings in Asia. Program, as a Korea UNESCO ESD(Education for Sustainable Development) Official Project assigned by Korean National Commission of UNESCO, currently extend the platform covering Asian countries and focusing on present urban and architectural problems and enlarging education opportunity to promote the practice of resilient design, accessibility and inclusive urban design and development which are adequately addressed in the UNESCO events, outcomes and publications. The world demanding greater cooperation rather than protectionism, acknowledgement of heterogeneity rather than homogeneity and the balance between society, urban and people need to adequately responsive to the direction of how the world is moving. Summer and winter school design workshop as one of CAMPUS\_Asia::SUAЕ\_Asia Program claim to promote opportunities for exploring adequately responsive alternatives from exiting urban and architectural environment by the cooperative process between students from various countries.

On behalf of CAMPUS\_Asia::SUAЕ\_Asia, 2022 Winter School workshop pleasantly invited School of Architecture of Syracuse University as co-director of 2022 winter program and potential professors from Syracuse University will support the information and knowledges about site at SoHo/NoHo area in Manhattan in New York and the emphasis for assignment and evaluation of design proposals. The students from partner universities, Vienna University of Technology from Austria, University of Palermo from Italy, Tongji University from China, Kyushu University from Japan, and Pusan National University from Korea will find the most effective way to vitalize sustainable neighborhood in SoHo/NoHo with rezoning plan approved by New York City Planning Commission by adding affordable housing with potential live-work typology. Every proposals will be included in publication that will be publishing at 2022 and your contribution will be acknowledged too.

CAMPUS\_ASIA::SUAЕ\_ASIA PUSAN NATIONAL UNIVERSITY, KOREA

# SoHo rezoning :

Affordable Housing with potential live-work Typology, Manhattan, NYC USA

(Materials on Site & Topic will be uploaded on the web site very soon)

### Agenda

1. Introduction & Background
2. SoHo/NoHo Neighborhood Plan Goals
3. Zoning Proposal
4. Environmental Review

## [SCHEDULE]

### Workshop\_week 1 : 2022. 2. 7(Mon.) ~ 2021. 2. 13(Sun) - Workshop+Lecture series

- 2. 7(Mon.) Opening & introduction, welcoming from CAMPUS\_Asia  
Welcome & Orientation : Prof. LEE Inhee, Pusan National University  
Lecture1 : (Site & Topic) / Prof. Angie Co. Syracuse University, USA  
Lecture2 : Prof. Michael Speaks, Dean, SOA, Syracuse University, USA  
& Yoonjai Choi, Partner, Common Name, USA
- 2. 8(Tue.) Lecture3 : Prof. Daekwon Park, Chair, Undergraduate Program, Syracuse University, USA  
Lecture4 : Prof. Mladen Jadric, Vienna University of Technology, Austria
- 2. 9(Wed.) Lecture5 : Prof. LECARDANE Renzo, University of Palermo, Italy  
Lecture6 : Prof. Prof. DIVIGALPITIYA Prasanna, Kyushu University, Japan
- 2.10(Wed.) Lecture7 : Prof. Hu Yantz, Tongji University, China  
Lecture8 : Prof. Kyojin Jin, Pusan National University, Korea
- 2.11(Fri.) Critic and Discussion(1) : Presentation of invention(design) by teams/documents(doc.) and PPT

### Workshop\_week 2 : 2022. 2. 14(Mon.) ~ 2021. 2. 18(Fri)

- 2.16(Wed.) Critic and Discussion(2) : Presentation of invention(design) by teams/documents(doc.) and PPT
- 2.17(Thu.) Evaluation by Committee and Tutors
- 2.18(Fri.) Final Presentation + Announcement of Prize  
Closing Speaking

## [PARTICIPANTS]

13 ~ 15 teams from

Palermo University, Italy  
Vienna University of Technology, Austria  
Tongji University, China  
Kyushu University, Japan  
Pusan National University, Korea

## [ORGANIZER]

Organizer : CAMPUS\_Asia::SUAE\_Asia Program(PNU)  
Co-organizer : BK21 Four\_Research and Education Program for Living SOC Innovative Design(PNU)

## [DIRECTOR]

Director : Prof. LEE Inhee, Pusan National University, Korea  
Co-Director : Prof. Angie Co, School of Architecture, Syracuse University, USA
