

# Tongji University × Technische Universität Wien

## 维也纳工业大学 奥地利

同济大学与奥地利维也纳工业大学, 2011 年建立合作 (奥地利最大理工院校, 欧洲创新与技术研究院成员) 设国际硕士双学位项目。采用联合培养模式, 中外学生首年在本国高校学习, 次年赴合作院校深造一年, 实行部分学分互认。完成学业后, 获两校相应硕士学位。

研究方向: 城乡规划学、建筑学  
学 费: 校际交流, 互免学费  
学 制: 1 年交换期  
交流层次: 硕士、博士

Tongji University and Technische Universität Wien, Austria (Austria's Largest Technical University, Member of European Institute of Innovation and Technology), established cooperation in 2011 and jointly provide an International Dual-Degree Master's Program. This program follows a collaborative educational framework, wherein students undertake their first year study at their home university and the second year at the partner institution, with credit recognition. Upon successful program completion, students are conferred degrees by both universities.

Research field: Town and Country Planning, Architecture  
Tuition: Mutually waived  
Duration: One-year exchange  
Exchange Level: Master & Doctoral
