## 釜山国立大学

韩国

釜山国立大学作为韩国顶尖国立大学，其建筑系以严谨的工程底蕴和对海洋城市空间的研究著称，在港口城市更新、高层建筑设计以及滨海防灾工程等领域拥有得天独厚的科研环境。学院与该校的合作隶属于中日韩三国政府主导的“亚洲校园”计划，在学术与学生交流方面已蓬勃发展多年。

研究方向：建筑学

学 费：校际交流，互免学费

交流期限：1 学期

Pusan National University is one of South Korea's leading national universities. Its architecture program combines a strong engineering foundation with a particular focus on maritime urban spaces. The program benefits from a unique research environment in areas such as port city regeneration, high-rise architectural design, and coastal disaster prevention engineering. The collaboration between CAUP and Pusan National University is part of the Campus Asia Program. The partnership has flourished for many years through active academic collaboration and student exchange.

Research field: Architecture

Tuition: Mutually waived

Exchange Duration: 1 semester
