The University of Liechtenstein, the only public university in the country, focuses on architecture, spatial planning, and business economics. Drawing on the region's strong craft traditions and contemporary architectural culture, the university has developed research strengths in sustainable design and spatial development. Since establishing the partnership, CAUP has maintained stable student exchange programs with the Institute of Architecture and Planning at the University of Liechtenstein.

Research field: Architecture, Urban and Rural Planning
Tuition: Mutually waived
Exchange Duration: 1 semester
