同济大学与日本名古屋工业大学，2012年建立合作（建筑学科获 JABEE 国际认证）设国际硕士双学位项目。采用联合培养模式，中外学生首年在本国高校学习，次年赴合作院校深造一年，实行部分学分互认。完成学业后，获两校相应硕士学位。

研究方向：建筑学

学 费：校际交流，互免学费

学 制：1年交换期

交流层次：硕士

Tongji University and Nagoya Institute of Technology, Japan (JABEE-Accredited Architecture Program), established cooperation in 2012 and jointly provide an International Dual-Degree Master's Program. This program follows a collaborative educational framework, wherein students undertake their first year study at their home university and the second year at the partner institution, with credit recognition. Upon successful program completion, students are conferred degrees by both universities.

Research field: Architecture

Tuition: Mutually waived

Duration: One-year exchange

Exchange Level: Master

Nagoya Institute of Technology
