

Tongji University

Technische Universität Berlin

柏林工业大学

德国

同济大学与德国柏林工业大学，2006年建立合作（德国精英大学联盟成员，TU9联盟核心院校）设国际硕士双学位项目。采用联合培养模式，中外学生首年在本国高校学习，次年赴合作院校深造一年，实行部分学分互认。完成学业后，获两校相应硕士学位。

研究方向：城乡规划学、建筑学、风景园林

学 费：校际交流，互免学费

学 制：1年交换期

交流层次：硕士

Tongji University and Technische Universität Berlin, Germany (Member of German Excellence Initiative, Core Institution of TU9 Alliance), established cooperation in 2006 and jointly provide an International Dual-Degree Master's Program. This program follows a collaborative educational framework, wherein students undertake their first year study at their home university and the second year at the partner institution, with credit recognition. Upon successful program completion, students are conferred degrees by both universities.

Research field: Town and Country Planning, Architecture, Landscape Architecture

Tuition: Mutually waived

Duration: One-year exchange

Exchange Level: Master
